NEW YORK

FOR 1884.

PRESIDENTIAL YEAR!

New Life and Blood!

Six menths ago THE WORLD commenced its new career. Its growth has been unprecedented. Its wonderful advance in circulation, in advertising, in influence, it popularity, warrants the claim of a leading position in New York journalism.

No expense or effort will be spared until THE WORLD is recognized as the GREATEST as well as the BRIGHTEST and CHEAPEST PAPER in AMERICA.

PAPER in AMERICA.

THE WORLD, as the leading Democratic newspaper in the country, knows no laction and recogn zes so individual ambilions or aspirations aside from the general good of the party and the Republic. It seeks the triumph of principles—not men. It uphoids treat Democratic ideas and ideals—not a faction or fraction of the party.

At the entrance of the new year the new Worklord—sires to express its graditude for the hearty welcome of his received and the magnificent success it has already achieved. Its welcome comes from the people. Its success is their work. They have indorsed its merits by more than trabing its circulation in six menths, and by doubling its advertising. For this they are entitled to our warm thanks.

No Democrat cught to be happy without

No Democrat ought to be happy without THE WORLD. We call upon the Democ atterior START CLUBS FOR THE WEEKLY. They will get the ablest, brightest and cheap est new-paper in the country, as well as at true Democracy.

Middle Aged Men.

There are many at the age of 50 to 50 who arrivulled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and where the color will be of a thin milkish hae, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. 8 will guarantee a perfect cure in all such cause, and a healthy storation of the genito-urinary organs.
